GBGR Visitor COVID-19 and Parking Information

COVID-19 Safety Protocols

In order to maintain a safe environment for our clients and employees, GBGR is following COVID-19 safety protocols by requiring the use of face masks and social distancing while in our office. In addition, 100 Congress continues to require face masks in all common areas of the building (*lobby, elevators, restrooms and corridors*). We appreciate everyone's help in maintaining a safe and comfortable environment.

Parking

As the garage at 100 Congress does not allow visitor parking, GBGR has arranged for visitor parking in our adjoining building, the 101 Colorado Garage, located in the basement of the **Ashton Apartments**, marked as Public Parking. A visual map to the visitor garage entry is provided below.

The public entrance and exit of the garage is on Cesar Chavez Street. After parking, take the elevator up to the ground level, exit the building, and walk east across the alleyway to 100 Congress. The bank of elevators that service the 14th Floor is on your left as you enter the lobby.

Be sure to bring your ticket to our office and we will have it validated by our receptionist before you leave GBGR.
